## **Exclusive Bellevue Club Awards Contract to OpenWorks**

Bellevue, WA (December 2008) -- It was a proud moment for OpenWorks when the exclusive Bellevue Athletic Club invited them to clean their facility. OpenWorks is responsible for cleaning over 10,000 square feet of space including the top notch Polaris restaurant, the trendy Splash restaurant, the tennis courts as well as all the fitness equipment.

OpenWorks, a leader in the facility services industry, prides itself in its dedication to superior account management and customer service support. At OpenWorks we don't measure our work against the norm; rather we are inspired to go above and beyond to provide service that exceeds our customer's expectations. "It was these core values that attracted the Bellevue Club", said Christina Arner, Washington Regional Director.

### **About Bellevue Club**

An award winning athletic facility, the Bellevue Club, includes state of the art fitness equipment, a recreational swimming pool as well as a competition swimming pool inside and an additional pool outside, tennis and basketball courts as well as wide open spaces where group exercise classes can be held. Housed on three different floors the Bellevue Club also includes a spa, a boutique, a child care area and 2 restaurants. The Bellevue Club also offers a nutrition and wellness program, recreational activities and social events.

### **About OpenWorks: Give Your Facility The Works**

Founded in 1983, OpenWorks is a full service commercial cleaning company servicing 1,500 facilities and over 30 million square feet of commercial and industrial space nationwide. We are an innovative and progressive organization that makes buildings better and safer places to work – fulfilling an important function for businesses such as the Bellevue Club.

For a cleaner, more productive, work environment, let OpenWorks *give your facility the works*. For more information, visit the OpenWorks website at [www.OpenWorksWeb.com](http://www.OpenWorksWeb.com)
