OpenWorks Wins Dow Jones National Account

Phoenix, Arizona (July 2008) – OpenWorks, a leader in the facility services industry, was recently awarded a number of high profile Dow Jones locations. OpenWorks has been the service provider for several Dow Jones locations in the state of Washington and Texas for some time now. However, this was a big win for OpenWorks National Sales Department which can now take credit for being awarded Dow Jones accounts across the country in states such as North Carolina, Idaho, Illinois and Florida.

Major Account Manager, Henry Moret, is the main point of contact for these National locations and his expertise has built a level of trust and confidence with the customer. It is through this involvement that we have proved to Dow Jones that we are the, "go to", company for all their commercial cleaning needs.
