OpenWorks Wins Another Hotel Contract

Seattle, Washington (January 2009) -- It was a proud moment for the staff of OpenWorks when another world-wide hotelier, Marriott International, Inc, chose them as their new janitorial service provider in their Renaissance Seattle Hotel location. The OpenWorks service team will be responsible for cleaning over 100,000 sq. feet daily. This includes the restaurants, kitchens, restrooms, lobby and all common areas.

OpenWorks, a leader in the facility services industry, prides itself in our dedication to superior account management and customer service support. At OpenWorks we don't measure our work against the norm; rather we are inspired to go above and beyond to provide service that exceeds our customer's expectations. It was this attitude that contributed to Marriott management awarding the upkeep of this flagship hotel to OpenWorks.
